Explanation

Are game is a maze running collect strategy game. The theme is from the simpsons. A popular tv show that has a great audience and fanbase. Are game will use this theme to appeal to viewers. The objective of the goal of this game though is simple get to point b collecting as many points as you can before the time runs out or without dying

What Makes The Game Fun

The variation in levels makes the game entertaining. As the player advances onto other levels, the maze increases in difficulty, challenging the player. A timer feature makes the user find a solution to the maze before time runs out. A point system creates competition among users. Obstacles are scattered around the maze for further difficulty.

Why Someone Should Buy Our Game Over Other Games

People should buy our game over other games, because our game consists of a challenging multi purpose objective game. The game is like a better version of chase and gather, it's also like pac-man, but BETTER!!!! The game is like a riddle, so it makes the players think on how to get out of the maze while trying to collect your target fast. Our game also gets addictive.
